

Regeneration of the Gnosall Acres – Phase One

Gnosall Parish Council. May 2012

Consultation

**Grosvenor Centre
February 2011**

Key Priorities

1. Provide all-ability & all-weather access

From Brookhouse Road

Looking East

From the Allotments Car park

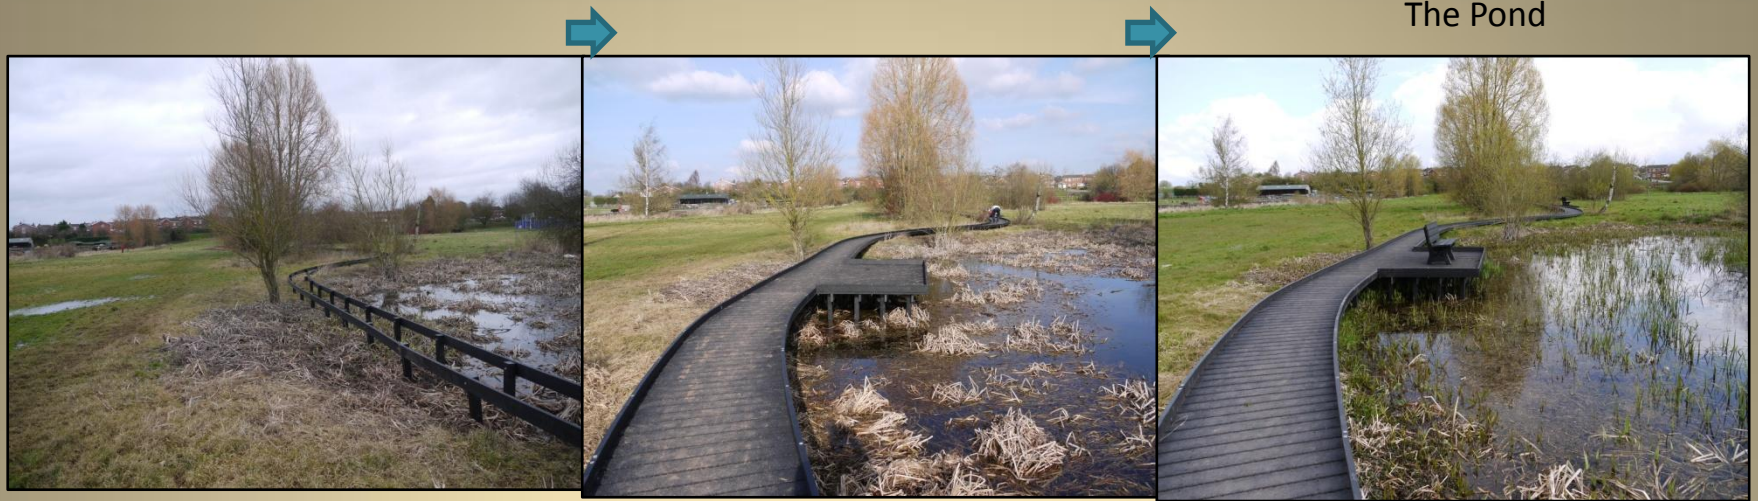

The Boardwalk

New Bridge

The Pond

New Bench

2. Restoring the Doley Brook

From a canalised channel back to a more natural profile

Looking South

Looking North

A natural resource - for wildlife & the local community

Reconnecting the Brook with it's floodplain

Recreating both an attractive wildlife habitat & more space for floodwater storage

Innovation

Soil Bund

Silt-Trap

Deflectors

Oxbow Pools

The Allotments

For Local People

What Next?

Phase II - Fundraising

- Appoint a Community-Educ. Warden
- Further Access & Habitat improvements
- New Facilities (incl. family picnic area)
- Arrange Educ. & Community activities
- Develop the site as a *Forest School*
- Develop local volunteer interaction
