Moorings

Shaded moorings

Br 33 (Cowley Tunnel)

Footpath over tunnel (rejoins at Br 32)

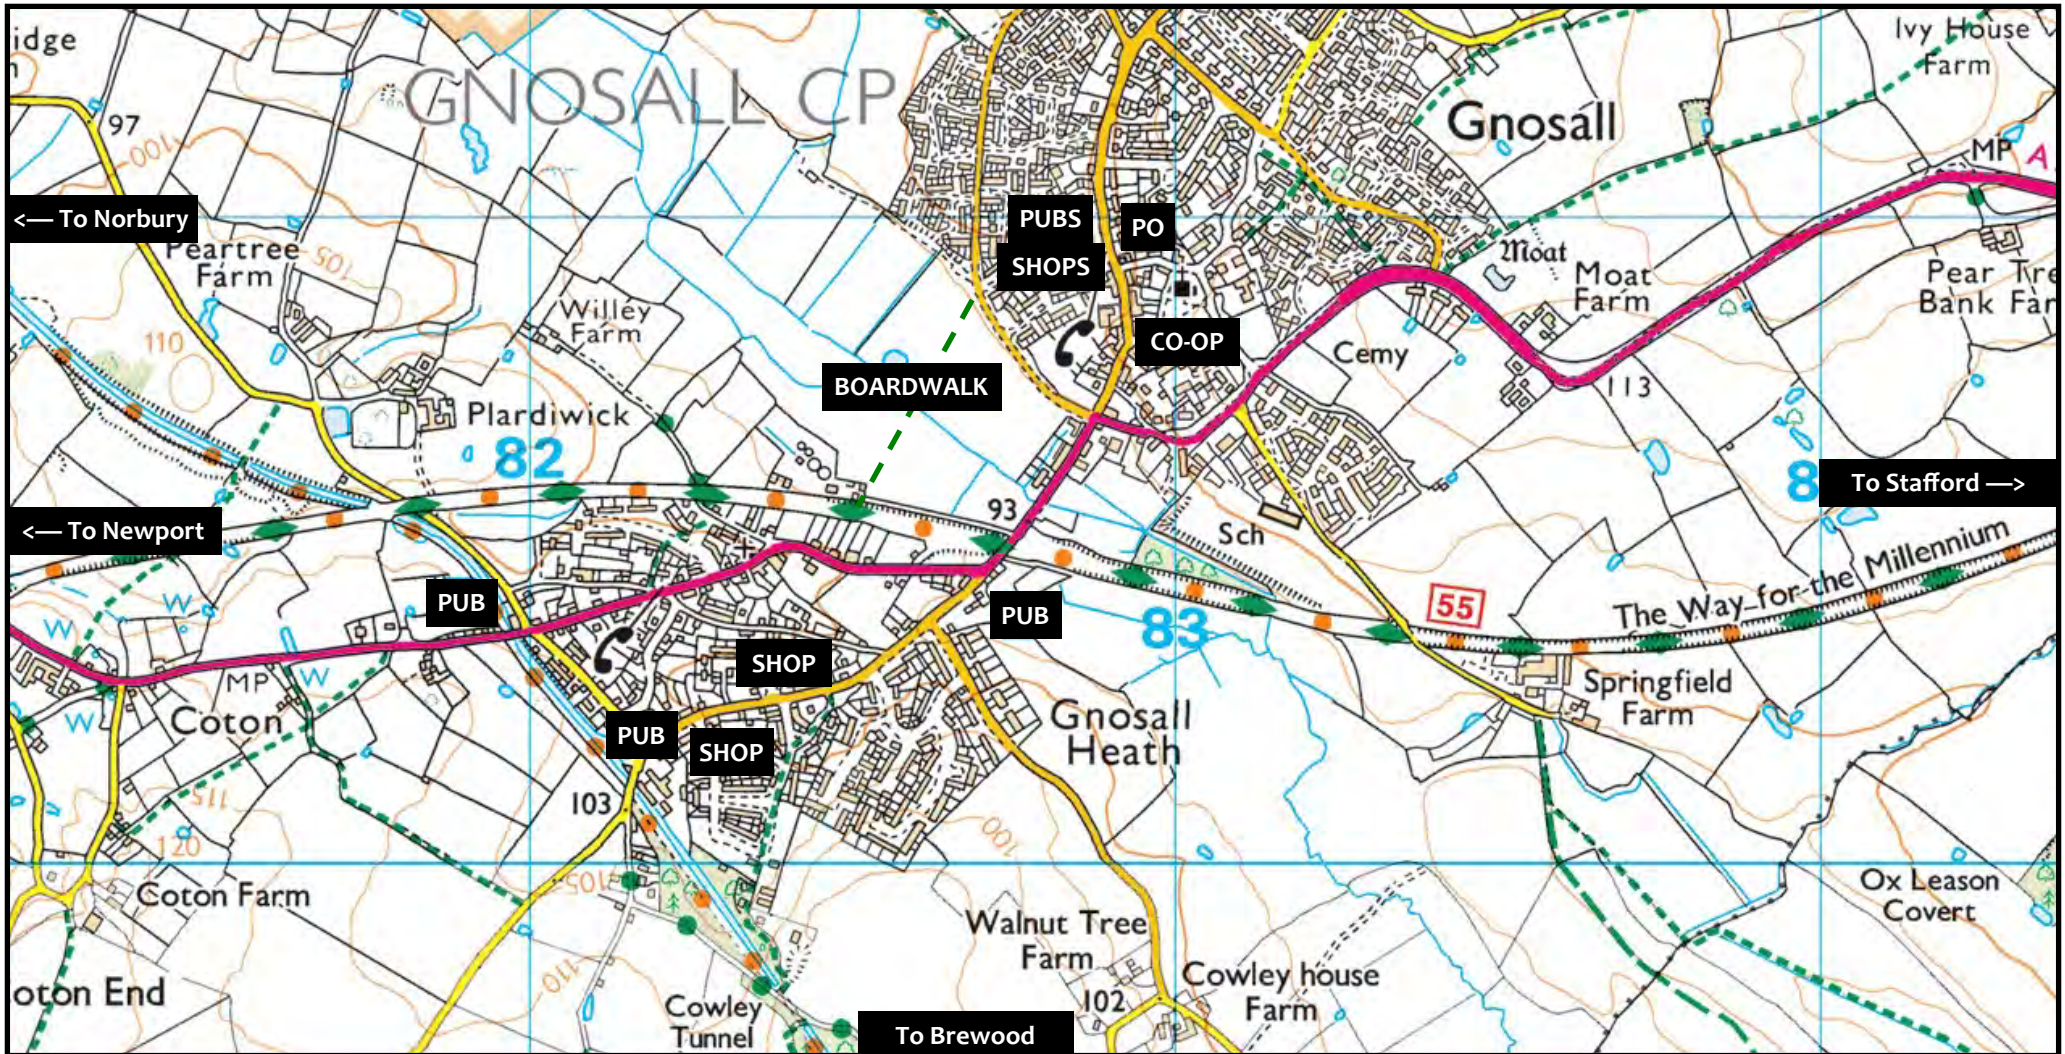

[To Brewood, Wolverhampton]

Welcome to Gnosall

This leaflet is provided by **Gnosall Towpath Restoration** (GTR). We are volunteers who maintain the towpath in the village for the benefit of all. If you find it useful, please put a donation in one of the First Responders tins in our local establishments.

If you would like to help us, financially or practically, or have suggestions, please contact us via the Gnosall Parish Council website (www.gnosallparishcouncil.org.uk). There you can find more information about our activities as well as a PDF version of this leaflet for download.

Please respect our environment and do not drop litter. Please keep dogs on a lead and under close control. Please clear up after your dog and take the poo away - do not put it on the bank, where children, gardeners or strimmers may encounter it.

Cyclists, please dismount when towpath is busy and under bridges. Boaters, please do not run engines when moored, the noise and fumes are a nuisance. Please do not discard ash on the bank - it kills grass and plants. The nearest refuse (and toilet disposal) facilities are Norbury (1 hour north) and Wheaton Aston (2 hours south).

Frequently Asked Question: **How do I pronounce "Gnosall"?** ... The 'G' is silent and the 's' is soft: NO-SULL
