## UPDATE:

GG's Youth Club has gone from strength to strength over the last couple of months, all the children seem to be really enjoying themselves and we have received a lot of positive feedback from parents, especially as we have recently won ourselves a special recognition award from SCVYS (Staffordshire Council of Voluntary Youth Services) & last Thursday (22nd November) we won the Highly Commended Youth and Education award from Stafford Borough Council's, community awards. We were up against 7 other large organisations (mainly schools). I would like to say well done to our fantastic committee, our dedicated volunteers and all of our members for coming each week supporting our Youth Club.

We have some very exciting plans to celebrate our awards, including a celebration night for the first 1/2 hr on Wednesday 5th and Thursday 6th December (serving mock-tails and snacks) parents are welcome too. As mentioned above we will of course be having our Christmas Party on 19th December.

The Tuck Shop and Hot chocolate seems to be going down very well, we have started to introduce fruit portions and they all seem to be eaten each week.

GG's Youth Club also has a few plans for the upcoming months, some of which include a quiz night in January, a chocolate fountain evening for valentines (Wed 13th & Thurs 14th February), a trip to Clip 'n' Climb in February, chances to win tickets to this years pantomime which will be performed in February in Gnosall. As well as some great plans for Easter.

Our Youth Club will soon be sharing the building with the New Library in the new portacabin next to the Youth Club building, this is very exciting news as you and your children will have private access to the library service on a Wednesday evening before Youth Club (6-7pm), the new library will NOT affect the Youth Club, but it will be a benefit as we will be able to use the room, this will increase our maximum number to 39\* (max children with 5 volunteers).

## Volunteering:

Recently, we have had a reduction in the number of volunteers due to some moving away, changing jobs or the have ended their term of Duke of Edinburgh, this is slightly concerning as the youth leader as we only just have enough volunteers, therefore I'm asking if you would be willing to give your time maybe once a month to help at GG's.

Our volunteers and I find it very rewarding to see 30 or so children leave with a smile on their face each week, you will require a clean DBS (previously known as CRB), but don't worry if you don't have one we can arrange to get on through youth club free of charge.

I am very pleased to run such a successful youth club in Gnosall, I would like to say thank you again for your support.

Jordan Archer (GG's Youth Club Leader)
